FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Elementary and Secondary Education** state this proposal will have no fiscal impact on their agency or on school districts.

Officials from the **Joint Committee on Administrative Rules (JCAR)** stated this proposed legislation is not anticipated to cause a fiscal impact to JCAR beyond its current appropriation.

According to officials from the **Office of Secretary of State (SOS)**, many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the proposal. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500.

Oversight assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal with core funding. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process. Any decisions to raise fees to defray costs would likely be made in subsequent fiscal years.

Officials from the **Special School District of St Louis County** assume this proposed legislation will not have a material fiscal impact on their district.

This proposed legislation was also sent to the following school districts, none of which responded to a request for fiscal impact: Blue Springs; Branson; Columbia; Fair Grove; Francis Howell; Independence; Jefferson City; Kirksville; Lee's Summit; Nixa; Parkway; Raytown; Sedalia; Sikeston; Silex; Spickard; Springfield; St Charles; St Joseph; St Louis City; Sullivan.

<u>FISCAL IMPACT - Local Government</u>	FY 2013 (10 Mo.)	FY 2014	FY 2015

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
